

The **July BuildSoft Update** is now [available](#) through the secure Client Care Center.

All updates are based on your invaluable input. For example, the prior year comparative income (period and year-to-date) reporting has been added because **Tony Mullet** (Dutchland) had been asking previous owners of BuildSoft for this for 10 years! Thank you **Karin Irish, Betty Ryon, Mary Evans, Cheryl Dueck, Helen Tanner, Donna White and Gretchen Haukos** also, for your contributions in the survey, and / or via direct contact.

Please submit your suggestions through the BuildSoft [Client Care Center](#). Look forward to many more improvements!
