

Dear BuildSoft Community:

Your BuildSoft Client Care Center gives you online, on-demand access to a library of BuildSoft training classes, free for supported customers. You can learn on your own schedule, if you can't make the regularly-scheduled live training sessions.

We have now added the related course materials to the training center also. Access the library at <http://www.constellationhb.com/ccc/index.php?page=prof-on-demand-library> and follow along with ease.

Get your new employees trained up in no time!

News & Features
