

## Season's Greetings, BuildSoft Community!

### Now Available: BuildSoft V3.58.05, with Hot Fixes

#### Are You Still On An Older Version?

- See What Users are saying about the latest release, and read the descriptions of the enhancements and resolutions at <http://www.buildsoft.com/product-updates.asp>.
- Download at <http://www.buildsoft.com/customerCare.asp>.
- Thank you to **Magee Homes** for originating and helping to beta test dialog & 1099 report hot fixes.

### BuildSoft Development Survey Results

Thank you for filling out the development survey that was sent out this year. **Sales & Marketing Automation** received the greatest level of interest – from 54% of respondents!

Based on your feedback, we are releasing Constellation's best-of-breed Customer Relationship Management system - CSales, used by renowned volume builders such as John Wieland & Meritage, **in a format that suits the needs and fits the budget of the small builder.**

Features include lead management & customer follow up, automated generation of purchase & sale contracts, addendums and change orders, amongst other features. Details in January!
