

Upcoming Release: BuildSoft V3.59, Coming May-End 2009

Some of the enhancements you can look forward to in Version 3.59:

- **Now Select Multiple/All Material Lists & Update Job Prices With One Click!**
- **PO/WO Lookup Screens Now Enhanced to Show Delivery/Completion Info.**
- **Now Email Purchase Orders & Work Orders from the BuildSoft Calendar!**

Michael Fearn - Champagne & Fearn Builders, Dan Perry - Westwind Developments, attendees of the July 16th, 2008 online training class, & others requested easier update for multiple material lists. Now update Vendor pricing from Excel, and then update pre-built material lists with one click. PO/WO Lookup has been enhanced, as requested by Rick Meyer – The Meyer Company.

Read details of other upcoming exciting features, in the next newsletter.

Constellation Backup Service – Early Adopter Plan

Power failure, temperature variations, dust, shock, user error, fire, or water damage are some reasons for performing off site backup of your years of business data. [Constellation Backup](#) can automate this process, with no upfront cost, hardware to buy, CD's or tape disks to rotate, or monitoring required.

Now join the early adopter plan and enjoy a 30% discount – Only \$35/month!

First 10 customers only. Contact Rizwan at 1-888-723-2222 x 2320.
