

BuildSoft V3.59.01 – NOW AVAILABLE

Period-Based Budgeting – as per [Emma Shinn](#)

- Now maintain income & expense budgets in BuildSoft, and report “Income Statement versus Budget” for any period range.

PO/WO Emailing from BuildSoft

- Now select multiple PO/WOs for a Job or Supplier, and email out with one button click!
- Now email PO/WO's from the BuildSoft Calendar, right from the automatic reminders pane, as per your building schedule.

Material List Price Updates

- Now update multiple / all material lists for a job, with one button click!

Many more ... download at <http://www.buildsoft.com/customerCare.asp>, and view the full list of features & enhancements at <http://www.buildsoft.com/product-updates.asp>.

Home Buyer Communication

Now provide a better buyer experience to your customers, sharing information online, and spend less time on phone calls from anxious homeowners. Perform **Change Order Management, Share Construction Progress, Contracts & Documents**, and communicate other services to your buyers.

Attend our Focus Group Teleconference & Webinar Event, **Thursday July 30th, 2009, 3:00PM to 4:15PM EST**, and help shape the soon-to-be-launched, web-based BuildServ application, aimed at driving referral sales, as word of your high quality buyer experience deliver spreads!
