

FOR IMMEDIATE RELEASE

Constellation Launches New BuildSoft Website
www.BuildSoft.com

Markham, Ontario July 11, 2007 - Constellation HomeBuilder Systems, Inc. ("Constellation") is pleased to announce the launch of its new website dedicated to the BuildSoft product line located at www.buildsoft.com. The new website offers product specific information designed for small to medium sized homebuilders and remodellers. Active BuildSoft customers will enjoy access to the secure BuildSoft Client Care Center. Additional functionality includes a professional three minute BuildSoft demonstration, access to sample reports, news and event announcements, success stories, and information on the most current software releases.

"The new website is a testament to Constellation's commitment to revitalizing the BuildSoft brand. The site offers a user friendly and modern layout filled with valuable information for our active customers and for consumers seeking product information" said Daniel Zinman, General Manager of BuildSoft.

About Constellation HomeBuilder Systems

Constellation HomeBuilder Systems is the leading provider of integrated enterprise software for the North American home-building industry. It markets the BuildSoft, B360, NEWSTAR, FAST, and Constellation CRM (formerly "CFT") families of homebuilder software. Constellation is a subsidiary of Constellation Software Inc ("CSI"). CSI acquires, manages and builds vertical market software businesses that provide mission-critical software solutions to address the specific needs of its customers in those industries. Constellation's common shares are listed in the Toronto Stock Exchange under the symbol "CSU". For more information go to www.buildsoft.com
